What colour are you?

What colour are You?

A proven behavioural cloud-based solution to give your company a competitive edge in acquiring, retaining and utilizing the best talent and building peak performance teams.

A Strategic Tool for Discovering Strengths

- Put the right people in the right jobs
- Identify the best fit for your organization
- Significantly reduce staff turnover
- Increase the likelihood that applicants will be long-term employees
- Create new and highly interactive relationships
- Build teams that peak performance and take the business forward

Identify iMA Comfort Zone

Congratulations !

When someone asks, "What Colour are You?" tell them "iMA High Green"!

You are a logical well organised person who works slowly and methodically to produce accurate systems. You need guarantees that you are in the right before you act and prefer to work at a slow pace to allow you time to "process" all the information provided.

[Retake the questionnaire click here.](#)

iMA High Greens answer Yes!

iMA High Greens tend to answer "Yes!" to many of the following questions:

The persons wants, needs and expectations

A Strategic Tool for Decision Making
